LAST CALL! ECUMENICAL SERVICE
at St James's Church, Postlip - noon Friday 12th June

Thanks to Trevor and Jane H for offering to read at this Churches Together service for Peace and Unity. Our friends at St Nicholas's have put a lot of work into this gathering and their hospitality, so it would be lovely to see you, if you can come.

WORSHIP - and HELP for 21st June

This Sunday we are glad to welcome Winchcombe's own Revd John Kime.

Next Sunday 21st (Holy Communion with Revd Jayne) - we need volunteers to **help set up** our worship space, in the absence of our faithful regulars, Kathy and Steve. Please speak to Geoff.

BIBLE STUDY

Next session will be 30th June at Trevor's house at 2.30pm

WEDNESDAY GROUP

July 1st at 7pm in the Sudeley Room a talk will be given by Alan Drewett about The Jet-Age Museum and the Aerospace industry in Gloucestershire. This will be an open meeting, and is open to the wider community – please tell people about it.

If you would like any further information please speak to Liz S, Pauline or Denny.

WINCHCOMBE GUIDE HALL - a request sent to churches

We are blessed to have around 36 girls enjoying Rainbows and Brownies in our Town through the hard work of a committed team of volunteers. Brown Owl Jacque Dent is asking us to help them find other volunteers from our Churches for their **Guide Hall Management Committee**. They are in need of a Chairperson, a Treasurer, a Secretary and general committee members. The roles are not directly involved with the children, but rather in a supporting role for their premises. The roles are not onerous but commitment is needed for an AGM and 3 meetings a year to help in the oversight of the general running of their hall. If you feel you are able to help or would like more information please contact Jacque at E: 3winchcombe@mail.com

THANK YOU!

Liz Smith would like to thank everyone for their cards and the orchid which she received in connection with her recent big birthday; they were very much appreciated.

Russ and Liz would also like to thank everyone for their expressions of concern and support regarding his recent diagnosis; again, very much appreciated.

AMPLIFICATION

It has been suggested that we need to add a lapel style microphone to the system - some preachers are more quietly spoken than others, as we know.

The amplifier/ microphone is wholly owned by us - all other users of the room do not need these tools.

I am extremely pleased to let you know that Lore has offered to completely fund a new clip on microphone. It is now on order. Whenever you see Lore she is always busy and one of the many unsung heroes in our church family- so on behalf of us all----a huge thank-you!
