Happy Anniversary

In July, Pillowell Methodist Church will be 140 years old. They're celebrating this milestone with a number of events...

A Service of Preparation will be led by their Minister, Rev'd Michelle Ireland on 29 June. Visiting Preachers, including Rev'ds Denise Hargreaves, Marcus Torchon and Heather Upton will be welcomed over the following weeks.

An exhibition in the Church showing memorabilia from over the years, articles from groups who meet here and artwork from the pupils of Pillowell School will also feature as well as a Village Anniversary Feast and a concert by Pillowell Silver Band in the Church.

Everyone is very welcome to join them at any or all of these events. More soon....

Ashcroft Rocks Cirencester

Cirencester Ashcroft outreach group have launched a new initiative where faith based painted rocks are left in various places for people to find and either keep, or re-place for others to find. It's a way of celebrating and sharing the love and joy of Christ and the beautiful world God has created. People can log their find via the Facebook page and this has become a real talking point, providing an opportunity to explain their mission. Over 2000 rocks have been hidden and found to date and as far away as Belgium, France and Turkey!

Happy anniversary

Christchurch Abbeydale are celebrating 30 years since the building of their church and 40 years since their worshipping community began regular services in the local community centre! join them at their Open Day on 7 June between 10.30am and 2.30pm to find out how the church was formed and to see the work they do.

Going for GOLD

Congratulations to Stonehouse who have successfully obtained their Eco-Church GOLD award! Helping them celebrate at a special service on 10 May were Deacon Steve and Jean Peck, Revd Graham and Gaynor Miles, Deacon Sue Peat and Revd Jimmy Cullingford, all helping them along the journey of caring for God's creation.

Eco-Church is considered 'part of the DNA' at Stonehouse with the whole congregation continuing the work and encouraging others. This ethos is helping them reach out to schools and young people in the area as they follow the Holy Spirit while continuing their Eco-Church journey.

The late June Berry, wife of Revd Frank Topping, was laid to rest on Friday 16 May with a special service at Coalway Pisgah Methodist Church. June's faith and lifetime of community work influenced many and you can read more on the ripple effect that extends far beyond her lifetime [here](#) and on the Methodist Church website

Looking for a source of music for your church?

www.smallchurchmusic.com have a host of different hymn books including Singing the Faith and many different styles including pipe organ, piano, small band etc. You need an email address to register and a sound amplification system to connect your laptop too, but the best news? It's FREE!

Nick Butler, Local Preacher, has a fabulous selection of books which maybe of interest and/or use to Local Preachers and Worship Leaders. The list is available from Nick Butler & the Circuit Office. Please send all requests by 4 June.
