**Risen Lord, we rejoice today that you have triumphed over death and that the victory is yours,
Help us to re-discover what it means to be Easter People.

P.T.O

**GREEN TIP –
LOCK UP CARBON IN THE GARDEN**

The basic rule is that the more vegetation you have the more carbon you are storing. So the fuller the planting in your garden, the better, even if it verges on overgrown. Don't be too tidy either. Log piles also lock up carbon for as long as it takes them to decay, which can be many years.

NOTICES For April will be prepared by Jean Davies. Please email jed0606@yahoo.com. The deadline is 4.30pm on Thursdays.

DONATIONS TO UKRAINE

A huge thank you to all the generous donors who have provided lots of warm blankets, knitted hats, children's clothing and warm coats, new duvets and sackful of toys. Thank you also for the toiletries, paracetamols, unwanted prescription medicines and more complex medical equipment.

The war is now entering its third year and therefore these donations are still very welcome. In addition, packet soups and packet/tinned foods, small packets of sweets, arts and crafts materials, socks and packs of cards (for the soldiers).

I will be pleased to continue collecting these items so please continue with your support. Jean Davies.
