The Haven provides bereavement support for those who have experienced the loss of a loved one or a similarly devastating event.

We offer space for grieving people to meet others in similar circumstances in a comfortably uncomplicated environment. Even on the simplest level, sharing with others can be really helpful when you're feeling discouraged, low or struggling to manage.

You may choose to chat as part of a group but, should you wish, one of the Bereavement Support team will willingly listen if you wish to talk one-to-one. It's also okay to just sit and be with us in this gentle space.

The atmosphere will be relaxed, with free coffee/ teas, good cake and caring company; a chance to be with other people who know what loss is like.

Here there will be no easy answers offered and no expectations held — The Haven is just a place to chat, where you will be listened to; where you can share if you wish, or sit quietly with others.

When loss strikes, people grieve, so although the Haven is run by St Peter's church along with Churches Together in Winchcombe, The Haven welcomes all members of the community of any faith or none.

If there are particular topics which are concerning you, please let us know and we will try to find people who can give you the advice you need.

Should you wish to know more, or to let us know that you're interested in coming, please text or call 07999 678263.

However you are feeling right now, there will be a warm welcome for you at the Haven.

The Haven is open on the 2nd Saturday of the month from 9.30 until 11.00 am in the restaurant of The Lion Inn, 37 North Street, Winchcombe GL54 5PS
