Some of the young people presenting gifts of appreciation to Clair on her last day.

Clair, our Family Outreach Worker's, final day was on Sunday Fourth September 2022.

Clair has worked for us for nearly ten years and in that time has cultivated outreach with both Primary and Secondary Schools, as well as organising Messy Church, Monday Minis, Open The Book and numerous events with Tewkesbury Churches Together. she will be missed.

We wish her well for the future as she starts full-time employment looking after young vulnerable teenagers in Cheltenham.

After Breakfast Club, Clair came in to the church service to be presented with flowers, cards and a gift token as a thank you for her time with Tewkesbury Methodist Church as our Family Outreach Worker
