Thank you to all at Apperley and Tewkesbury Methodist Churches

“We first came to notice and began to understand your church message through your sharing of Coventry Cathedral’s welcome message.. this brought us to contacting Jayne, our wonderful minister, and through conversation lead us to your special Methodist Churches at Apperley and Tewkesbury, for which we will be forever grateful.

Apperley church celebrated its 119th anniversary in September and it’s so relevant and important as it also included us two “gents” who wanted to be able to bond in matrimony with God’s blessing.

We have not only been able to be accepted, we also have been fortunate to be welcomed as a family.

Glyn’s mum Ann has also found a place of connection and worship.

So with thanks, love and kindness we thank you and all our new friends at Apperley and Tewkesbury!

Best wishes
Glyn & Graham”
